O God of Youth

God has richly blessed Luther High North in the past years — a school which has grown from a dream to a reality. God is the One who made those dreams come true. He is the One who set a pattern safe to follow for youth in the past fifty years and for youth ever since time began.

As we look through these pages, let us see how our God has been the GOD OF YOUTH.

THE GOLDEN YEAR

This year is the fiftieth anniversary of secondary education in Chicago. Few of us realize what hardships arose in planning such a school as ours.

The idea of a Lutheran high school came in 1907 when a committee was appointed by the Concordia League to consider secondary education. It was found that a majority of congregations thought it necessary to have a Lutheran high school in the Chicago area.

On September 9, 1915, five thousand people witnessed the laying of the Luther Institute cornerstone. Funds were low, but the prayers of its founders were answered when Luther Institute was dedicated on August 27, 1916.

Luther Institute eventually became so crowded that branch schools were opened. Later, during depression years, these branch schools were closed because they were no longer needed.

On July 1, 1949, the Lutheran High School Association of Greater Chicago assumed the ownership and management of Luther Institute. This association was organized in 1945 to build and operate additional Lutheran high schools in the Chicago area.

Luther Institute was evacuated on July 10, 1952. Temporary quarters were rented at 28 North Franklin, just outside Chicago's Loop.

After the closing of Luther Institute, three new schools were opened. In July, 1951, Luther High South was opened. Walther Lutheran High School was opened in September, 1954. The direct descendant Luther High North was dedicated on September 20, 1954.

Through the fifty years of secondary education, our Lord has truly been the GOD OF YOUTH. He has seen the needs of youth and blessed us with three wonderful schools.

Dedication

We, the Anniversary Year graduates, dedicate this Log to the founders of Lutheran high school education in Greater Chicago. Those pastors, teachers, and laymen who fifty years ago opened the doors of Luther Institute, now, fifty difficult yet bounteous years later, walk with us in spirit as we leave the school which their efforts brought to reality.

Our school, which for a long time existed only in the minds of these men, now is a reality. It was their foresight and dedication to Christian youth which made a school as ours possible. We cannot put into words the many blessings we have derived by attending a school which is built upon Christian ideals.

It is with a fervent hope and prayer that the knowledge and experiences obtained at the school which these men made possible will enable us to serve to our fullest extent in the Lord's kingdom and help us in extending Christian education in whatever community the future places us.

TO THE GRADUATES:

A half century ago devoted, consecrated men and women with vision planned and founded Lutheran secondary education in Chicago. Their beginnings were humble, very humble. Today, fifty years later, their efforts have blossomed into a growing educational system. These founders were men of faith, strong-hearted men, willing to sacrifice, whose love for their Savior prompted them into action so that the Lutheran high school movement had its birth in the Chicago area.

May you, the graduates of Luther North of 1959, the heirs of the past, find inspiration in the deeds of those who contributed so much to the growth of Christian secondary education! Soon you will be given the opportunity to step into the footsteps of those who blazed the trail. May it then be said of you: "They were men of faith, of vision and of love for others!"

Dr. Henry J. Boettcher

After many years of faithful service for education, Dr. Henry Boettcher is going to retire. In 1952 he was appointed superintendent of the Lutheran High School Association of Greater Chicago. During this time he has served Luther South, Walther, and our school as superintendent of these three high schools.

Doctor Boettcher graduated from Concordia Seminary in St. Louis, Missouri in 1918. Following this he went on to receive his masters degree at Alberta University in 1936 and his Ph.D. at the University of Minnesota in 1936. For a number of years he served the parish ministry in Canada and was the counselor in parish education in Minnesota district until he was appointed to his present position.

We would like to thank Dr. Boettcher for his service to Lutheran higher education and wish him God's richest blessing in his retirement.

THE FACULTY

For the past four years these Christian men and women have undertaken the task of bestowing knowledge to us — the graduating class. Through the grace of God their wise counseling, patience, and understanding has helped us to grow both in wisdom and in spirit. These, our teachers have helped us to realize that there truly is a God of Youth. We thank you with deepest sincerity and pray that God may be with you always.

Judy Lenz	Treasurer

Through the past four years in Christian surroundings, we, the class of 1959, have grown both spiritually and intellectually. Many blessings have been bestowed upon us. Going to a wonderful school such as ours is a great blessing in itself.

It is an honor to graduate in this the fiftieth anniversary year. As we realize what hardships were endured fifty years ago, it makes us even more thankful for our school.

We offer a prayer of thanks for the Christian training we have received and also pray that, as we leave the doors of Luther, the God of Youth will continue to keep us from stumbling in the path of life.

O GOD OF YOUTH . . .

Underclassmen

JUNIORS

JUNIOR CLASS OFFICERS

Bill Fick	President
Judy Arndt	Secretary
Dale Schumacher	Vice-President
Sue Lund	Treasurer

Ability and leadership might very well be used to describe the Class of 1960. Their school spirit was shown in sports and many other activities. The juniors have shown that they possess the ability to assume responsibilities such as the planning of the Junior-Senior Banquet.

Looking ahead, we feel certain that the graduates of '60 will set a Christian example and let the God of Youth shine through in their forthcoming year.

At the close of this school year the sophomores will have completed half of their high school days. By supporting sports events and planning the Frosh-Soph Party, they have shown that they have school spirit and able leadership.

Great responsibilities lie before them in their junior year. To meet these new responsibilities, they will need leadership and the help of God. May the God of Youth give them that help in their future years at Luther.

Class spirit and leadership has already shown itself in the freshman class. They have shown good spirit in such things as Initiation Day, and they have shown leadership in the Student Council and other activities.

We hope that in the remaining three years here at Luther North this spirit and leadership will continue. May the God of Youth give them success in the years still ahead of them.

STUDENT COUNCIL

The Student Council is the governing body of Luther North. It consists of elected members from the four classes. There are many projects which the Student Council undertakes. Among these are the Homecoming show, Christmas decorations, civic letter points, all school party, and many more. With the cooperation of the Council members and the help of their advisor, Mr. Duensing, they have accomplished much and attained many of their goals.

This year a new responsibility was added to the duties of the Student Council—that of Student Control. Student Council members served on Student Court and as monitors for detention hall. Under the direction of the Student Council, new plans for the improvement of Student Control were made.

Throughout the past year, the Student Council has attempted to serve the school to the benefit of all concerned. If the Council is to function properly, it needs the support and cooperation of the student body.

The work of the Student Council should not go unrecognized but should be commended as being of greatest importance to our school.

Sitting (Left to Right): J. Lenz, H. Hoefer, B. Koenig, G. Voigt, C. Mueller, Standing (Left to Right): B. Thomson, J. Weydemann, C. Schmidt, D. Muehlschlegel, B. Westerberg, J. Herhold, T. Peterson.

The class councils are composed of the officers of the class and elected homeroom representatives. They sponsor activities and do many things for their class.

One of the main functions of the Junior Class Council is to present the Junior-Senior Banquet. This involves a great amount of work such as raising funds and planning details.

The Senior Class Council has many small jobs to do for their class. They take care of graduation announcements, the Senior Class Gift, and the Junior-Senior picnic.

THE CHOIRS OF L. H. N.

The choirs of Luther North, under the able direction of Mr. Schroth, proved to be a great success. In these choirs students have the opportunity and joy of singing and spreading the Word of God. One of the greatest thrills for all the choirs was the making of a high fidelity recording in the honor of the fiftieth anniversary of Lutheran secondary education in Chicago.

Seeing and hearing all the choirs sing to the Glory of God certainly strengthens our certainty of a GOD OF YOUTH.

Mr. Schroth

A CAPELLA CHOIR

The A Capella Choir has performed frequently to spread the Gospel through music. It was asked to appear at a music clinic and also had the privilege of performing for the Executive's Club. Besides the regular Christmas, Lenten, and Spring Concerts, the A Capella Choir, for the first time in its history, went on tour to St. Olaf in Northfield, Minnesota, to sing with the choirs of Dr. Olaf Christiansen.

The Girl's Choir has made many strides in the past year. Singing selections from the "Nutcracker Suite" for the Christmas Concert was one of their accomplishments. The girls looked as if they really enjoyed singing.

GIRL'S CHOIR

The school is very proud of its Sophomore Choir which joined voices in praise to God. Seeing how the choir enjoyed singing "The Carol of the Drum" made us enjoy it more. Songs from "South Pacific" were also enjoyed by all.

SOPHOMORE CHOIR

The Freshman Choir did a very fine job of singing in the Lenten and Spring Concerts. Although they were first organized during the second semester, we can already see in them an enthusiasm for spreading the Word of God through song.

THE SINGERS

These singers are two groups of selected voices also showing their love of God through song. Led by Mr. Schroth, they performed not only with the choirs but also made extra appearances.

The Luther Singers were invited to sing at many different functions. Two appearances which created excitement for them was the one at the Palmer House, and one with the Lutheran Choir of Chicago. This year the Luther Singers practiced with a junior group. They performed togeth-

er on many occasions and substituted whenever necessary.

The second group, the Sophomore Singers, among other things, gave concerts at churches. Among the concerts was one at Edison Park Lutheran Church and another at St. Paul Lutheran Church.

BANDS OF L. H. N.

Under the direction of Mr. Taebel the bands of Luther North did a splendid job. They played both religious and secular music. The Chamber Band and German Band not only played for L.H.N. but also visited other churches. The Dixieland Band performed at our Homecoming festivities and at Bandorama. Luther North is proud of its bands and of the advancement made in the past few years. May the bands continue their wonderful performances and enrich our lives with music.

CONCERT BAND

Four big events marked the 1958-59 Concert Band season. Bandorama, which was the first concert of it's kind, was a great success. Both the performers and audience enjoyed it tremendously. The Concert Band also took part in the Christmas Concert with the choirs. Band-tasia, their third concert, was also a splendid success. The final event and also the most exciting for the members was their performance in the Music Festival in Milwaukee, Wisconsin. They set a fine Christian example for the school, thereby showing their love for God.

PEP BAND

The Pep Band is composed mainly of senior members of the Concert Band. They played at many of our football and basketball games. We hope that the band will continue to play at our games and help us cheer our teams on to victory.

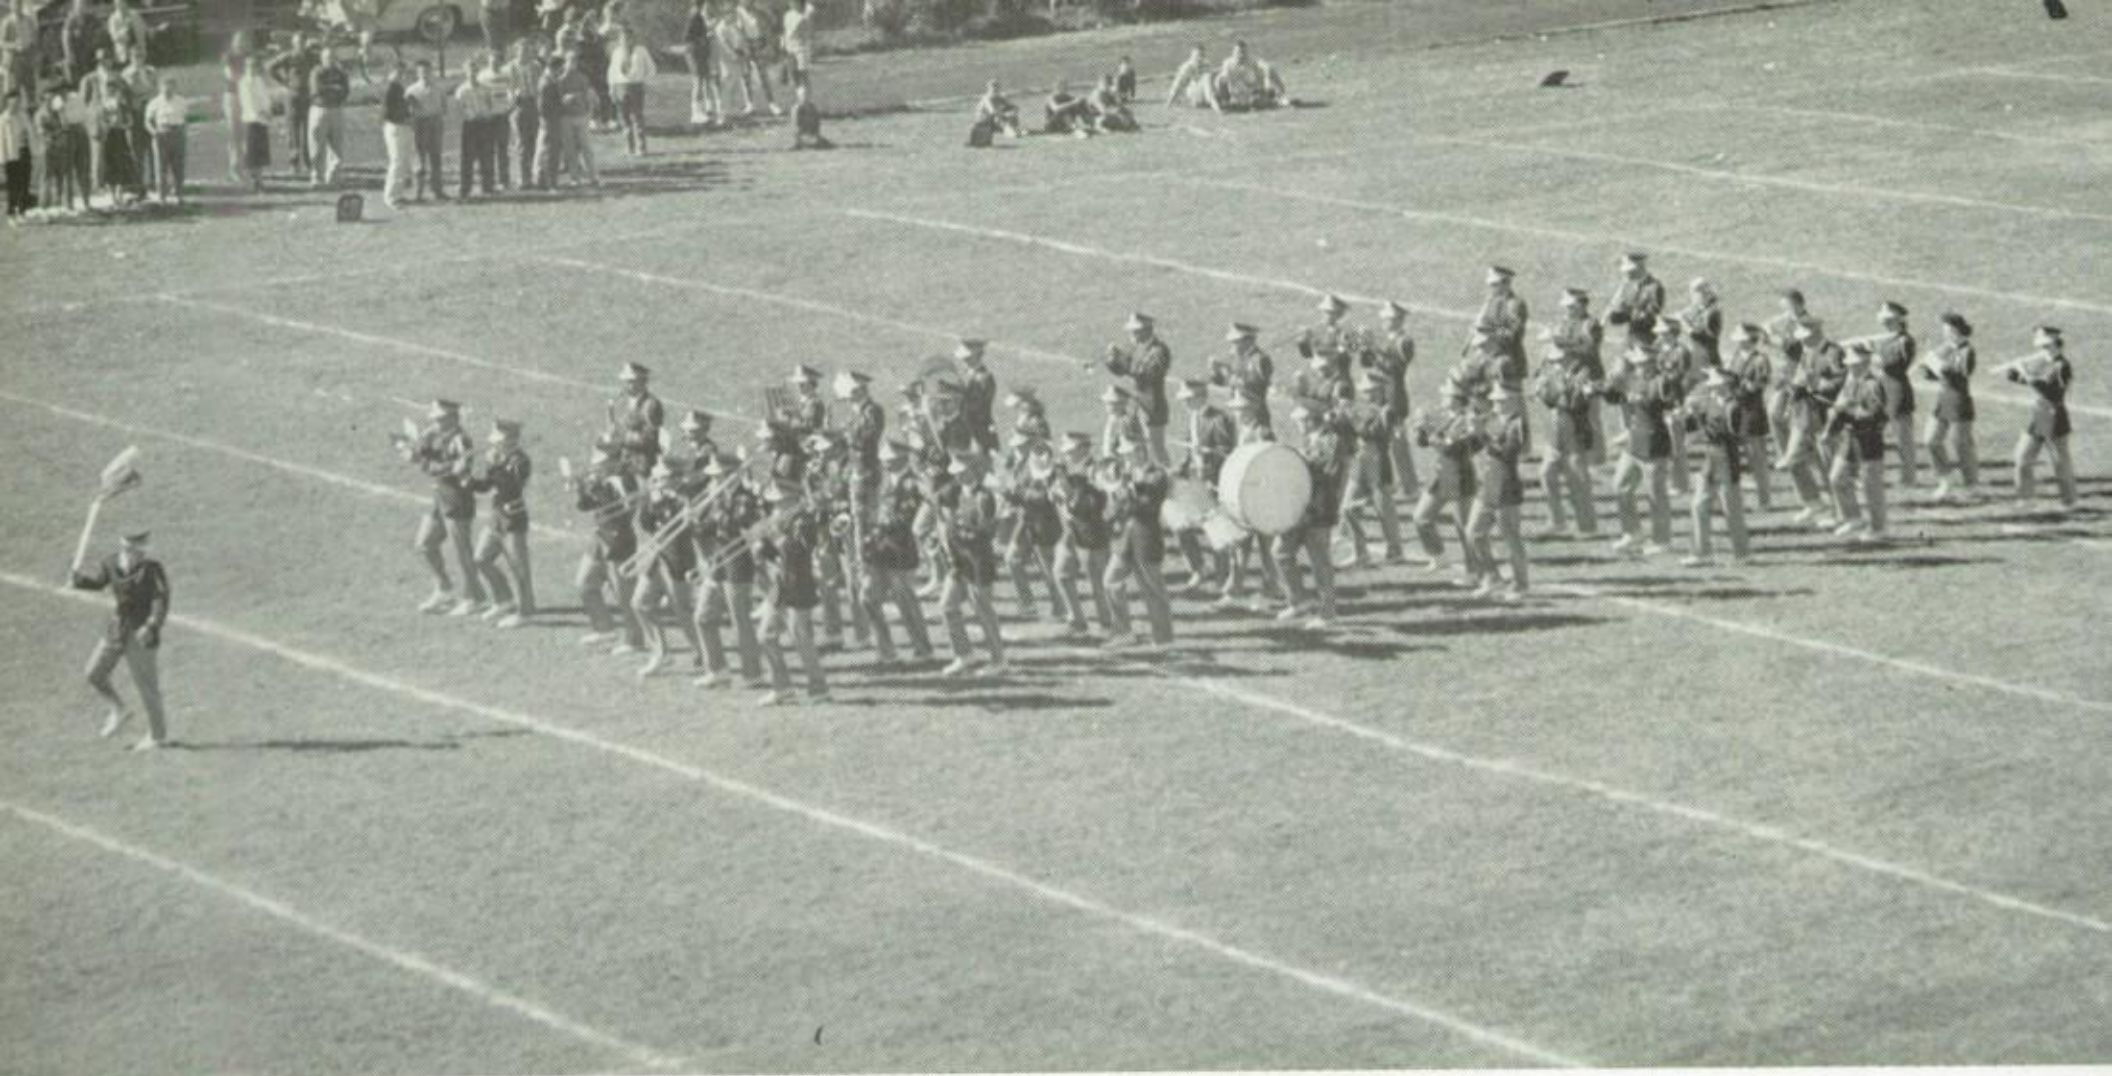

BEGINNER'S BAND

New students interested in music and band make up the members of the Beginner's Band. They participated in Bandorama and hope to enter the Concert Band next school year.

MARCHING BAND

All in step and formation, the Marching Band has won fame not only at Luther. The forty-eight members displayed superb talent at our football games. Also, they were asked to demonstrate their talent in the Valparaiso Homecoming Parade in Valparaiso, Indiana. We would like to congratulate them on their advancement and hope that we will see much of them in the future.

MAJORETTES

Twirling their batons and keeping in step with the Marching Band are the Majorettes. We enjoyed watching them perform and hope that they will continue to show us their talents.

LUTHER NORTH THESPIANS

Under the direction of Mr. Matthews this organization not only presented two plays but sponsored Cosmotique, the speech and drama banquet.

Both performers and audience enjoyed "The Bat" and "Dino." With these plays the members gained actual experience in stage productions.

Many thanks for the entertainment you have rendered, and may you continue your splendid work.

ART CLUB

An interest in art is all that is necessary to belong to this club. The members were kept busy throughout the year making posters for various clubs and helping with scenery for school functions. They learned many new concepts concerning the many fields of art.

We hope that the club will continue to be of service to our school and thereby interest more students in an appreciation of art.

CRAFT CLUB

Escaping the humdrum of everyday life, these girls indulge in crafts of various kinds. Among these are knitting, embroidering, and making pillows.

They showed their love for others by giving filled Christmas stockings to the orphans. They showed their talent at the Student Fair in an exhibit. Keep up the good work girls!

THE LOG STAFF

The Log Staff each year tries to present a yearbook which is new and individualistic. This year we have done our best to give you something new and original so that you will have a book you can be proud of and one that you will long remember.

We will never forget the enjoyment of preparing this book for you. The deadlines, encouragement from our editor, and help from Mr. Lange, our advisor, will surely be long remembered.

Our patron drive was a big success mainly because of the senior class and their hard work in securing donors. Many thanks for your efforts!

We hope that you will receive as much pleasure studying the book as we did arranging it.

This year the Blue and Gold buzzed with more work and spirit than ever before. As our school grew, the Blue and Gold grew also. An extra page was added to the paper so that it could present more news, features, and sports articles.

The Editor in Chief, JoAnn Weydemann, was seldom seen without her notebook full of Blue and Gold articles. Annelise Tantius, the Assistant Editor, was always on the job. Correcting articles and giving advice when needed was again the job of the faculty advisor, Mr. Lange.

Working hard to put out the paper was not the only job for the staff. The staff put out an excellent school directory and sponsored two roller skating parties.

We hope that future staffs will have the same newspaper spirit which enabled us to enjoy reading our paper.

GIRL'S SERVICE CLUB

"Whatsoever thy hand findeth to do, do it with thy might" is the motto of the Girl's Service Club. The twenty members of G.S.C. have done many things for both students and school. Many students will never forget the "German Party" with it's "beer garten" and "hippenschwinger contest." "Kool Kapers" with it's many flops surely will not be forgotten. When usherettes and waitresses were needed, the girls were ready, willing, and able to help. Rendering these services to the school, the G.S.C. truly has lived up to it's motto.

KEY CLUB

This year, as always, the Key Club has been very successful. They are sponsored by the Kiwanis Club of Chicago, and every week two Key Club members go to a Kiwanis luncheon.

They have rendered many services and have sponsored such things as the Candy Drive and Coat Check. A hearty thanks goes to all the boys who participated in making this another successful year.

RELIGION ACTIVITIES CLUB

Lee, President

Mickey, President

The Religion Activities Club, better known as R.A.C., is divided into two separate groups, the freshman and sophomore group and the juniors and seniors. Helping others is the main aim of both groups. They have helped others by collecting goods for the needy at Christmas, acquiring "Portals of Prayer" for the meditation chapel, and rendering numerous services to the students at Luther, May God continue to bless the undertaking of this organization.

LIBRARY ASSISTANTS

"Quiet! You're in the library!" This phrase was spoken quite often by these students. They helped Mr. Hartmann, our librarian, in many ways by typing, shelving books, assisting students, filing, and much more. We would like to thank the library assistants for keeping us quiet and also for assisting us when help was needed.

KITCHEN CREW

This year we have three lunch periods because of the increase of students. Whether it be selling milk, assisting the cooks, or doing the dishes, the kitchen crew make them enjoyable lunch hours. Our sincerest thanks go to all the kitchen crew who helped this year.

HALL GUARDS

Many students from Luther help to make our school a safer, cleaner, and nicer place. The Hall Guards are among them. "May I see your hall pass?" This is a familiar request we're all acquainted with. Among their other jobs they run errands and help in the office. Indeed, they have done a good job and readily deserve our sincerest thanks.

SCIENCE CLUB

This club is composed of all juniors and seniors who are interested in science. One of its main functions this year was sponsoring the annual Science Fair. Through discussions and demonstrations held at their meetings the members were able to broaden their knowledge and interest in science.

BIOLOGY CLUB

Pat, President

This club provided more information and experience for its members in the field of biology. They undertook projects such as studying the anatomy of a cat, culturing protozoa, and incubating chicken eggs. The members enjoyed many films on the subject of biology. The club also took field trips, among which was a trip to the Precision Clinical Laboratory. Although the club was busy with many projects, it still found time to put on an assembly with the Science Club. We hope that this club will continue in its splendid work of giving students a chance of more study in the field of biology.

Armin, President

Taking field trips, listening to lectures, and snapping portraits, were some of the highlights of the Camera Club this past year. Among their field trips was a visit to the Morton Arboretum. The club did a lot of dark room work and saw films on various topics concerning the camera. The members of this club seem to enjoy everything concerning a camera and this was seen in the wonderful prints that were produced.

CAMERA CLUB

One of the main functions of this club is to develop an interest in chess and teach students the fundamentals of the game.

The club held a tournament among it's own members for which a trophy was given. There was an additional tournament held with Milwaukee Lutheran High School.

We hope that this club will continue it's growth and that more students will learn to enjoy the game of Chess.

PEP CLUB

Dick, President

Pep Club members could be recognized easily by their blue and gold beanies, white blouses, and dark skirts. This club is one of the largest at L.H.N. and is made up of enthusiastic students who cheer at basketball and football games. Besides cheering, the members ushered patrons and passed out programs at games. The Pep Club did much to boost the morale of our teams and cheered them on to many victories.

The Bowling Club, which has grown considerably in the past few years, is one of the most popular clubs at Luther. It is split into two groups, the Wednesday and Friday bowlers. On these days members would take their bowling balls and shoes and hike towards the Irving Park Bowl. This year, as always, trophies were awarded to the best player and the best team. We wish the club continued success in the future.

BOWLING CLUB

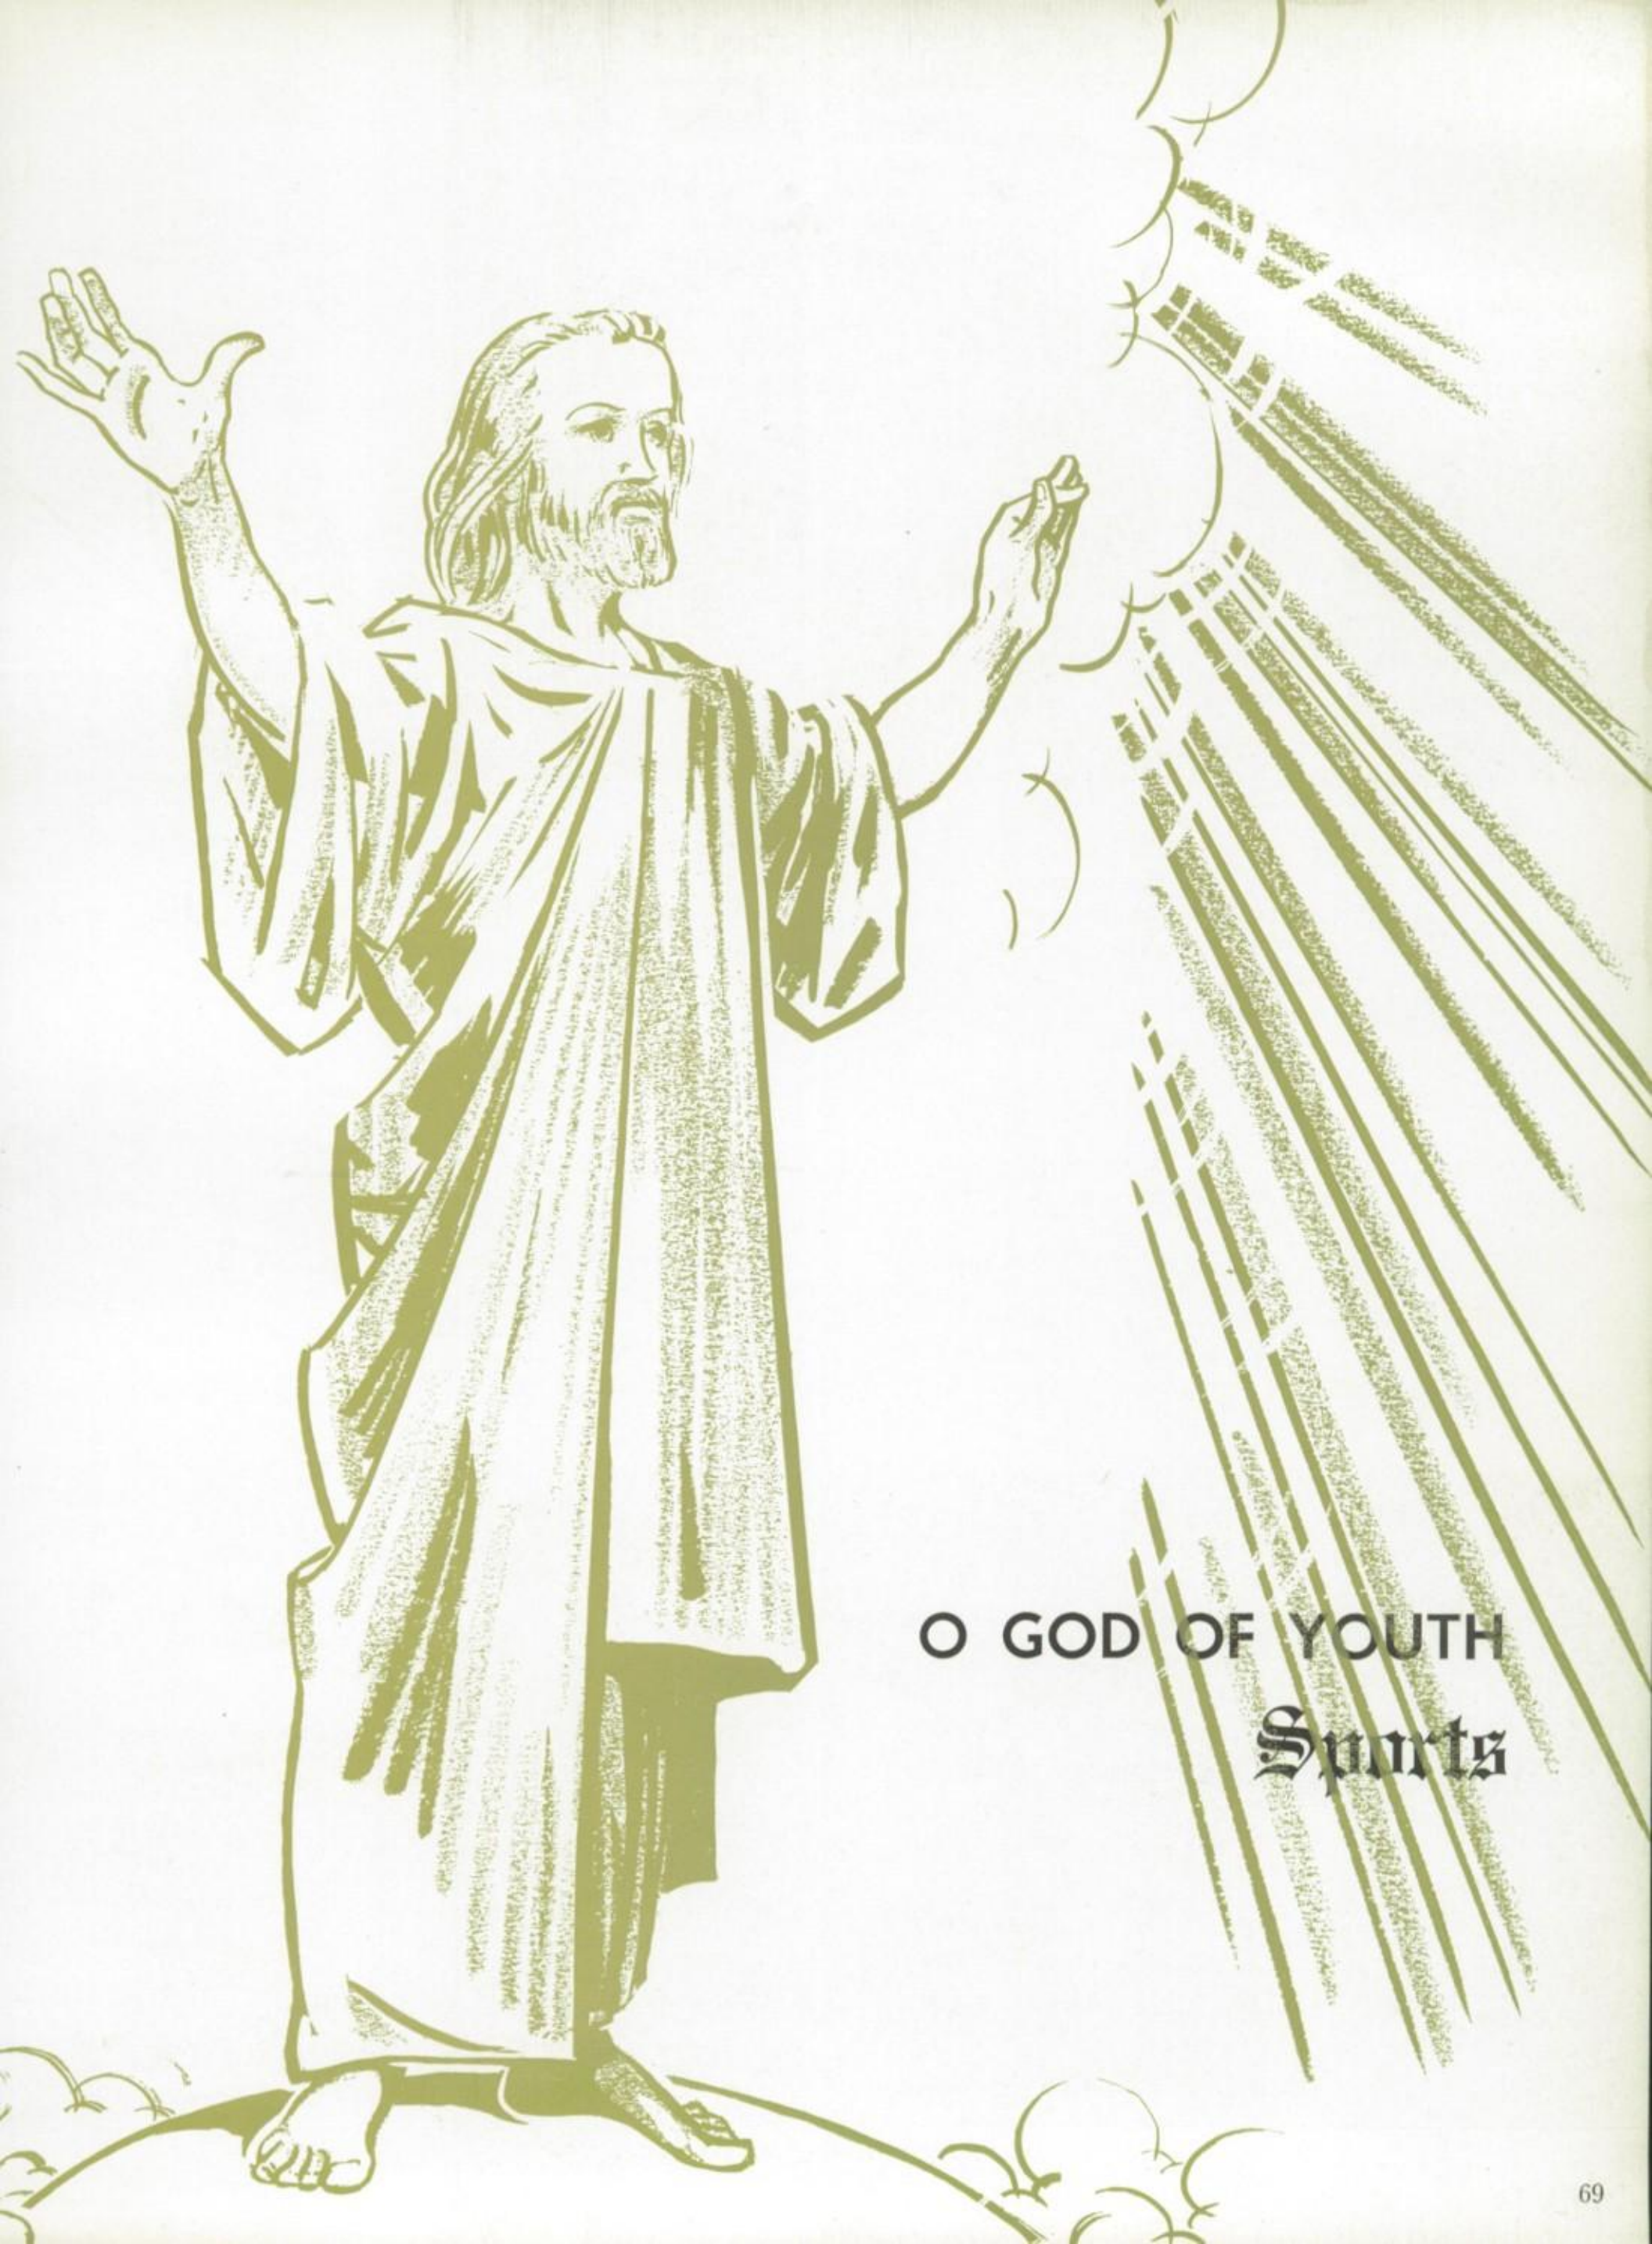

This club is made up of boys who have received a letter for participation in major sport. To set an example for the students of L.H.N. is one of their main objectives. The club's highlight of the year is the initiation of new members. Members sell food at basketball games to raise money for the athletic department. We hope that in future years the school spirit shown by this club will continue to grow, thereby helping other students maintain school spirit.

VARSITY FOOTBALL

We at L. H. N. all are proud of our Wildcats who ended the football season as co-champs of the Private School League. After losing their first three games of the season to non-league schools, the team rolled over their next four opponents to gain for us a tie of first place. In the championship game with Wheaton we were defeated, but we still shared co-championship with them.

During the season the Wildcats outscored their opponents 147-113. Dick Calhoun, a sophomore fullback, scored 8 touchdowns gaining 475 yards rushing. By scoring 162 yards in one game, Dick broke the school rushing record in the game against Milwaukee. Quarterback Jim Dau completed 32 passes for 446 yards to help out the offense. In eight games the offense only failed to score in one game.

This year L.H.N. was fortunate in having five boys elected to the P.S.L. All Star Team. Jim Dau, Chuck Kreutzer, and Pete Pustorino were selected for the first team. Gary Mehl and Dick Calhoun made the second team, and Bruce Anderson received honorable mention. Next year the captain will be Dale Schumacher.

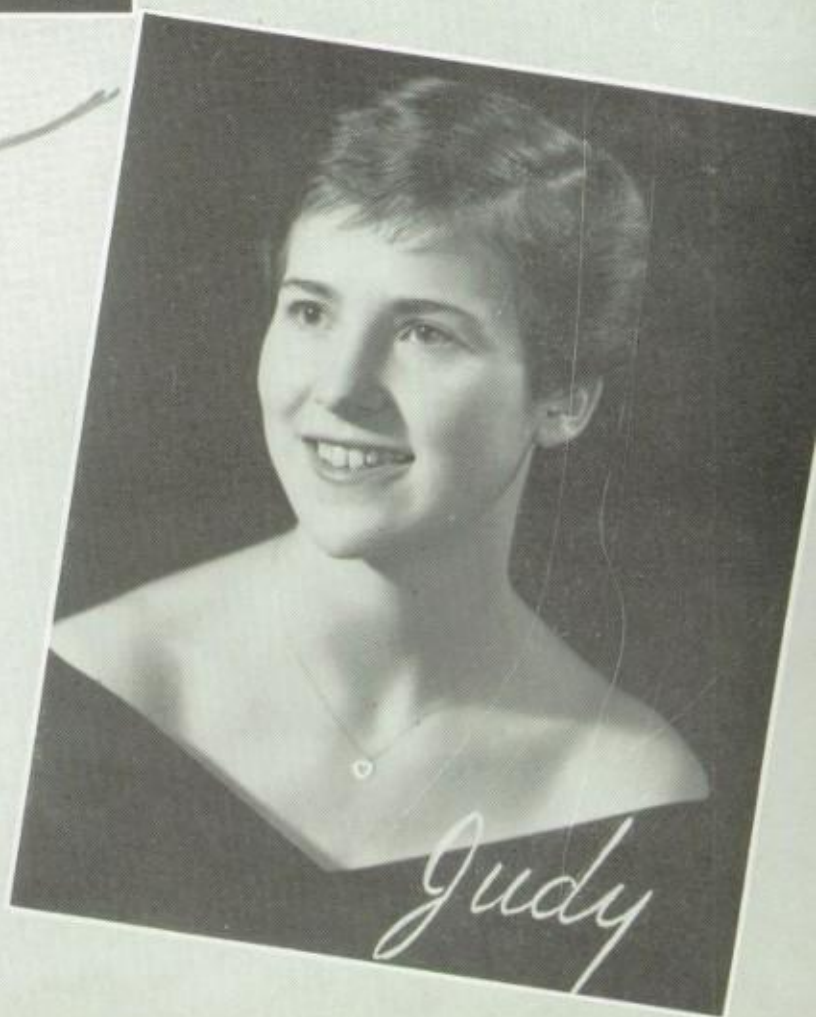

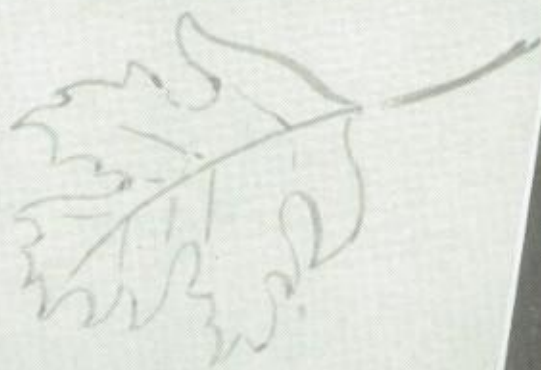

Thanks and congratulations go to the coaches, Mr. George Yursky and Mr. Roland Schleusener, and Captain Pete Pustorino as well as to the team which brought us a championship.

For three years in a row the Frosh-Soph football team has been undefeated in league competition. We would like to congratulate these boys who had only six points scored against them by their league opponents. The team spent many hours practicing, and their efforts were well rewarded.

Bob Haertel was the leading scorer with eighteen points. Paul Wegehaupt was the leading ground gainer with 273 yards. Other outstanding players were Bill Schmidt, Ron Freres, Don Selke, and the team's captain, Lee Thorton. The most improved player was John Gahl.

During the season Dick Calhoun was able to move up to the Varsity squad. Next year Paul Wegehaupt will be the captain.

FROSH-SOPH BASKETBALL

Our Frosh-Soph Basketball team won second place in league competition with ten wins and two losses. They had a record of twelve wins and five losses for the entire season.

The co-captains for this year were Lee Thorton and Ron Freres. The leading scorer was Dave Linder and Roy Mueller had the most rebounds. Jim Dau had the most assists and was elected the most valuable player.

FRESHMAN BASKETBALL

This year the Freshman Basketball team ended the season with a record of four wins and one loss. Led by captain, Al Ladendorf, and Coach Schleusener, the team scored a total of 169 points. The boys tried hard and showed a good fighting spirit which helped them to win.

Second row: Mr. Dinkmeyer, Coach; C. Schmidt, J. Heidlauf, B. Fick, D. Fleischer, D. Hagan, R. Filip, N. Bark, Mr. Schleusener, Assistant Coach. First row: D. Streich, Manager, H. Meinkow, H. Mowery, H. Linenbrugger, J. Schmit, D. Weghaupt, S. Fusek.

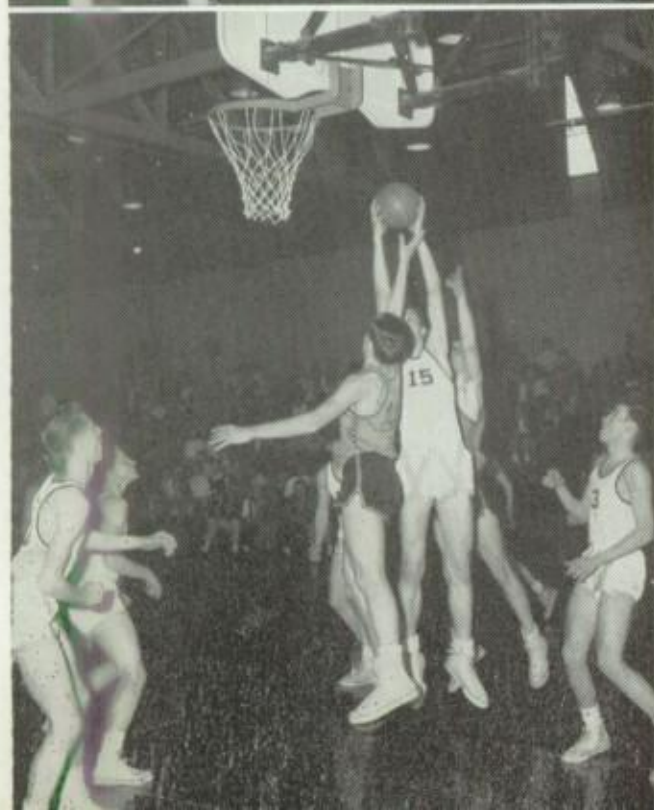

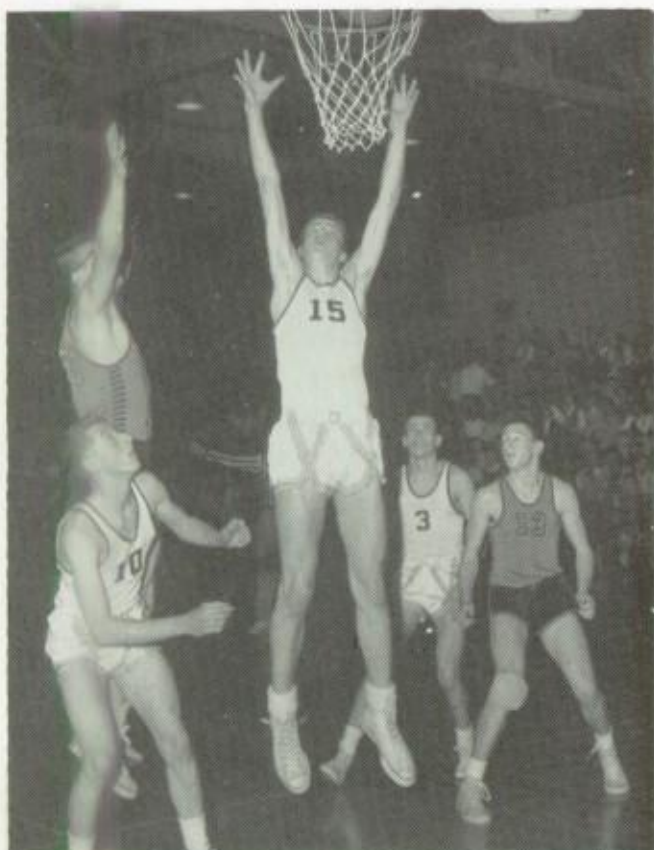

VARSITY BASKETBALL

With the able leadership of coach Dinkmeyer and captain Jim Schmit the Luther North Wildcats won the Private School League Championship. Although the team ended the season with twelve wins and no defeats in league competition, the team was eliminated by Wheaton in the first game of the P.S.L. Tournament. Our team won the Walther trophy game, but lost the Luther South trophy game.

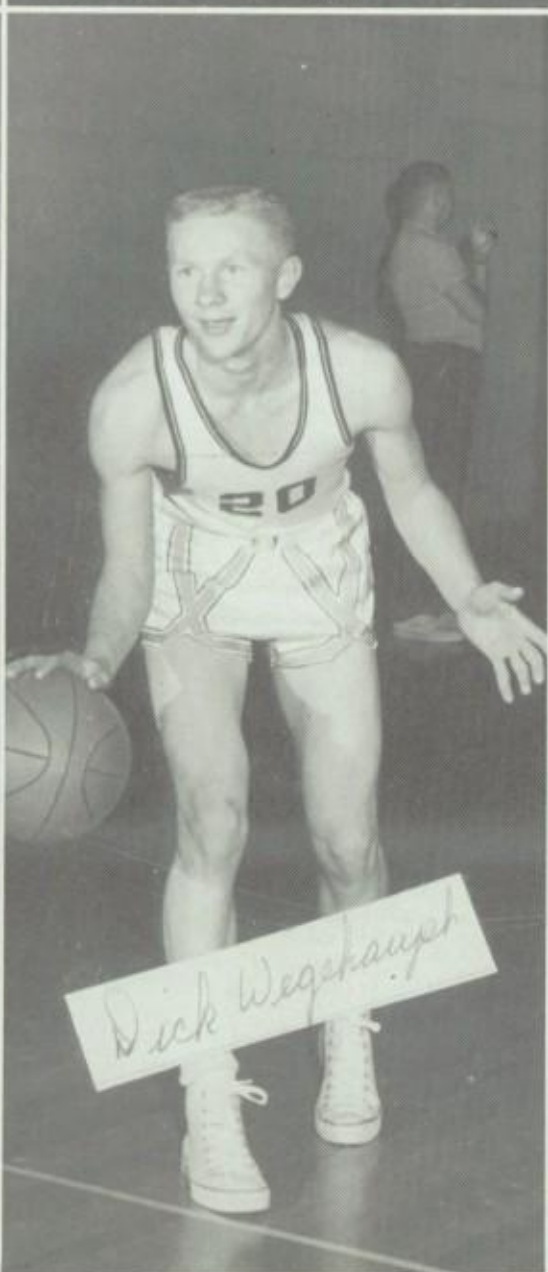

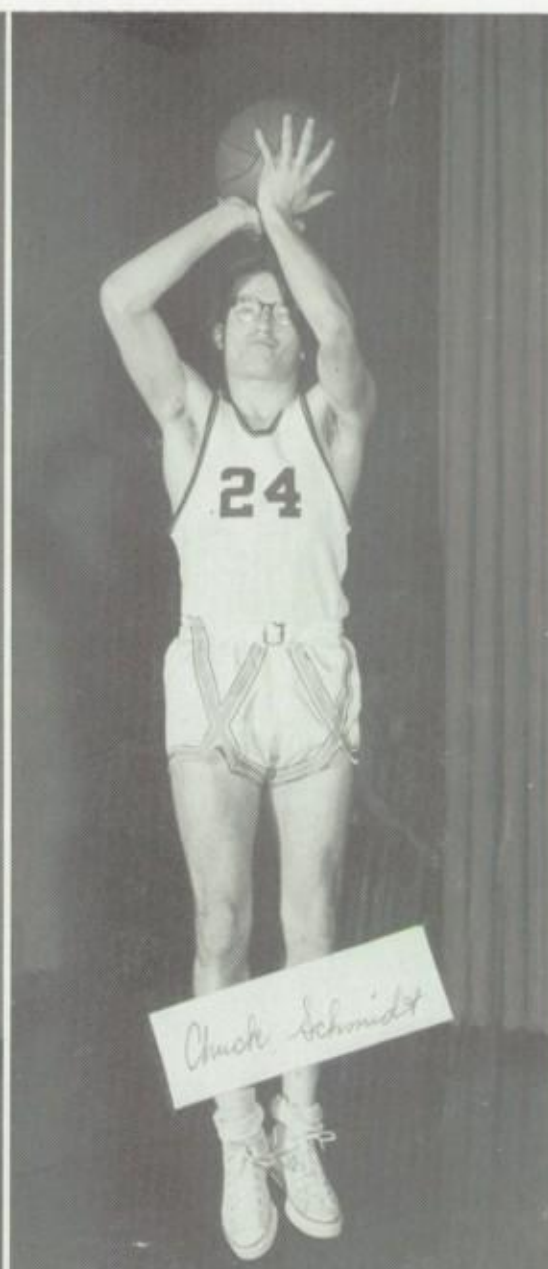

In the game with Elgin the Wildcats scored 110 points to set a new league record. This beat the old league record of 104 points which was set by Francis Parker.

Leading the team in scoring was Jim Schmit with 297 points. Jerry Heidlauf made 54% of his field goal attempts. Howie Meinkow sparked the team with 56 free throws. Howie Meinkow and Dick Wegehaupt had the best free throw percentage, making 64% of their shots. The leading defensive rebounder was Meinkow, and the leading offensive rebounder was Herb Lienenbrugger. Elected the most valuable player for the season was Jim Schmit.

Congratulations to a well deserving team of boys and coaches who worked hard to win, and of whom Luther can truly be proud.

CHEERLEADERS

Thank you to the cheerleaders who have made school spirit ring through the halls of Luther. These hard working gals were filled with enthusiasm and helped lead our teams on to many victories.

The Varsity cheerleading squad is composed of seven members, five seniors and two juniors. This year's captain was Judy Kemnitz.

The Frosh-Soph squad is composed of six members, five sophomores and one freshman. The captain was Barb Zweifel, who was chosen the most valuable cheerleader.

Congratulations to Miss Brower for presenting us with such a fine squad.

TRACK TEAM

The track team, coached by Mr. Everly, assisted by Mr. Offermann, was composed of forty-two boys. Returning to this year's team were many boys who helped win the P.S.L. Championship last year. The team's first meet was at the University of Chicago with all the Private School League teams participating. Dick Tetze was this year's captain.

The boys showed good sportsmanship and determination. These qualities added up to a successful season.

BASEBALL

Coaches in a huddle!

This year's baseball team had a turnout of seventeen boys, ten of whom were lettermen. Del Bahn was on the team for four seasons and was chosen captain of the team this year.

Mr. Menking, assisted by Mr. Blecke and Mr. Yursky, got the team into fine shape for the season which began with a practice game against Lake View High School and a league game against Walther High School.

Win or lose, typical lutheran spirit was evident among the members, and steady improvement provided a successful season.

TENNIS

The tennis team season opened this spring with a match against Elgin. Ken Hartkopf, captain, and Nils Bark played in single matches while Friedel Acker and Dennis Streich played in double matches.

We congratulate these boys and thank them and Mr. Duensing, the coach, for giving freely of their time to represent Luther North in tennis.

Left to Right: Standing: Mr. Duensing, K. Hartkopf, F. Acker, D. Maxwell. Kneeling: N. Bark, D. Streich.

SWIMMING

In keeping with the good showing made by the team last year, the swimming team this year had another good season. Coach Hass and captain Fred Limmel worked hard to get the team into condition for the season. Although the team did not win the P.S.L. championship, they showed good spirit and won many ribbons for second and third placements.

We know that the swimming team will continue to improve and to practice good clean sportsmanship and fair play.

GOLF

The golf team this year was composed of six members, all of whom were lettermen. It was again coached by Mr. Dinkmeyer. Already in their first game against North Shore they showed that they were a well qualified golf squad.

The end of this book also marks the end of L. H. N. school life for the class of 1959. As a parting word we wish the faculty and undergraduates continued success in their endeavors at Luther North.

We would like to extend our thanks to Mr. Lange, our advisor; Mr. Koenig, our printer; and Wallinger Studios for their help in turning our ideas into reality.
